

## MEMPHIS FELLOWS

Welcome to our Class of 2019! This is our 14th class of Fellows, recent college graduates who during the nine-month program develop professionally, experience authentic community, worship together with God's people, minister in the community, live with a host family, and are mentored by a member of the church.

**Stefan Balciunas** is from Houston, TX and graduated from Texas Tech University with a degree in Kinesiology. He is one of six siblings and has always had a sense of adventure. He loves spending time with people and staying active. In his spare time, he can be found visiting with international students, cooking for friends, hosting game nights, playing sports, hiking mountains, road tripping, or traveling. He has visited eight countries and welcomes any opportunity to experience new places and cultures. Stefan will be working at OrthoMemphis. He is living with Sandy and Frank Eggers and will be mentored by Drew Hursey.

**Zach Clouse** is from Terre Haute, IN and has recently moved to Memphis from San Diego, CA. He was a student athlete at Southeast Missouri State University and graduated in 2015. He loves spending time with his family and friends, watching sports, reading, and staying in shape. Zach will be working with Boosterthon. He is living with Frank and Sandy Eggers and will be mentored by Mike Warner.

**Michelle Doyle** is from Eden Prairie, MN and attended school in Omaha, NE at Creighton University. She majored in French and minored in Sustainability, Leadership, and Business Administration. A couple of fun facts about Michelle are that she went to the Stanley Cup in Las Vegas this summer and she has been to France six times. She loves playing golf, reading, watching movies, and traveling, and she is a Minnesota Wild hockey fan! She is currently interviewing for work placement. She is living with Brian, Ann, Matthew, Micah, and Suzanne Lankford and will be mentored by Grace Simmons.

**Caroline Friday** is a recent Auburn University graduate who grew up in Birmingham. While she is looking forward to exploring all the new restaurants and good food Memphis has to offer, Chick-fil-A will always have a special place in her heart. She appreciates a good adventure and being outdoors; however, she is happiest watching 80s movies while surrounded by fresh cut flowers and drinking hot coffee. Caroline will be working at Presbyterian Day School in the Office of Development. She is living with Matthew, Lauren, and Mary Steele Gant and will be mentored by Mary-Wilkes Yonchak.

**Lukas Kilimann** is from Colorado Springs, CO and graduated from the University of Colorado, Boulder. He will be working at Monogram Foods. He is living with Rusty, Rebekah, Liam, Silas, and Quinn Shappley and will be mentored by Gil Brandon.

**Cooper Mahoney** is a graduate of University of Tennessee Knoxville with degrees in Public Administration and Economics. She is excited to move back to Memphis for this next chapter of life, which will include spending more time with her beloved Grizzlies and enjoying all of the great food Memphis has to offer. Cooper enjoys going on walks with friends, swimming, reading, baking, and trying new workout classes. She will be working at Duncan Williams Asset

Management. She is living with David and Lee Bowen and will be mentored by Mary Grace Walters.

**Amber Murphey** is a recent graduate of Southeast Missouri State University with a degree in Communication Studies and a minor in Family Studies. She loves traveling, watching movies (especially scary and superhero ones!), being with friends, and spending time at coffee shops. She is eager to learn all the Lord wants to teach her this year! She will be working at Le Bonheur Children's Hospital. She is living with Robert, Mandy, Grayson, Myers, and Addison Biggs and will be mentored by Amanda Coop.

**Jennifer Patterson** is from North Carolina and graduated from Covenant College. She is often found reading, listening to podcasts, trying new recipes, practicing yoga, and bullet journaling. She is fond of Mexican food and enjoys drinking tea and kombucha. She is the third of four siblings, which has given her a competitive nature that aids her in playing card games and pickup basketball. She loves finding excuses to go outside for a walk or hammocking. She will be working at Su Casa Ministries. She is living with Ted, Lyle, Mason, Carrington, and Tucker Davis and will be mentored by Rachel Gasser.

**Emalea Rieckhoff** grew up in Sedalia, MO and attended college at Southeast Missouri State University where she majored in Corporate Communication.
